Marshall examines the walls - physical, religious, ethnic, psychological - that fence people off or, at times, pen them in... He has written frankly about the world. We deny this at our own peril' -- The National; 'Striking words ... Tim Marshall performs the daunting, yet highly pertinent, task of trying to make sense of one of the biggest issues of our times: in a world that is increasingly globalised, a backlash apparently grows ever stronger. By taking a global view, Divided successfully brings some much-needed perspective' -- Northern Slant
