"Recensione \*A Newbery Honor Book\*An ALA Notable Book\*Booklist Editor's Choice Dalla seconda/terza di copertina On his way to visit his recently divorced father in the Canadian mountains, thirteen-year-old Brian Robeson is the only survivor when the single-engine plane crashes. His body battered, his clothes in shreds, Brian must now stay alive in the boundless Canadian wilderness. More than a survival story, Hatchet is a tale of tough decisions. When all is stripped down to the barest essentials, Brian discovers some stark and simple truths: Self-pity doesn't work. Despair doesn't work. And if Brian is to survive physically as well as mentally, he must discover courage. L'autore Peter Coyote's feature film credits include E.T., Jagged Edge, Buffalo Girls, and Outrageous Fortune. On stage, he appeared in the world premiere of True West. He also appears on the BDD Audio productions of Gary Paulsen's The River and Canyons."
