"Reseña del editor RAINBOWS SPARKLES GLITTER VIOLENCE CARNAGE MAYHEM Ah, the unicorn. Symbol of purity, wonder, magic, and pretty little princesses everywhere. Nothing scary about unicorns, you might think. Nothing dark, gothic, or hardcore. But you'd be wrong. You'd be very, very wrong. Gathered here for your twisted pleasure are thirty-two works of unicorn weirdness. From the fantastic to the macabre, packed with savagery, blasphemy, gore, and sex, this is no book of bedtime fairytale stories for kids. This is a book of hooves and horns and horrible destruction. It's a storm. It's a stampede. Brace yourself for the UNICORNADO!"
