"Synopsis 'Winter Lullabies' is a beautiful cycle of six loosely interwoven movements for solo harp/piano and upper voices. Although the story of the nativity lies at the core of the work - celebrating motherhood and the different moods that might be embraced by a lullaby - it also explores associated secular issues of homelessness, displacement and flight, showing the relevance that this timeless story continues to have for our modern lives."

From the poser of tapestry of light and the winter roses a new major work that is based on the traditional lessons and carols service filled to overflowing with beloved carols and original seasonal songs this cantata tells the story of christ
