"Reseña del editor Long ago the brother gods Osiris and Set ruled peacefully over the lands of Upper and Lower Egypt, each in his own kingdom. But over time Set came to covet his brother's lands and crown, and eventually the temptation overwhelmed him. Usurping Osiris's throne, Set began a blood feud that spread war, death and mutilation through both the heavens and the earth. Gods and men chose sides and took up arms on behalf of both Set and Horus, the heir of Osiris. This book retells the mythic struggle between Horus and Set, exploring the variations and background to the feud, and examining the earthly realities that inspired, or reflected, the actions and allegiances of the Gods, such as the political rivalries between the two kingdoms, and the invasion of Egypt by Cambyses II. Ancient Egyptian weapons and strategies are also examined, showing how their gods and men did battle. Biografía del autor David A McIntee has written many tie-in novels in such franchises as Dr Who, Star Trek, Final Destination and Space 1999. He has also written comics adapting the work of Ray Harryhausen, William Shatner and John Saul. He has been a regular features contributor to many genre media magazines, and has written academic studies about the Aliens and Predator series, Blakes 7, and others. He has also run re-enactment demos of Ancient Egyptian events. Mark Stacey was born in Manchester in 1964 and has been a freelance illustrator since 1987. He has a lifelong interest in all periods of history, particularly military history, and has specialised in this area throughout his career. He now lives and works in Cornwall."
