"Synopsis This book provides an in-depth exploration of how to plan, implement and assess a rigorous and thorough outdoor early-years curriculum that compliments classroom-based learning and meets the Early Learning Goals through its: Specific emphasis on planning based on the Foundation Stage's six areas of learning; Practical 'real-life' case studies that display the benefits of an outdoor curriculum in relation to learning; Inclusion of records and detailed exemplars of particular sessions that provide evidence of how the model works; Consideration of staff roles, what is expected from them and how this can be achieved. Coverage of issues such as risk assessment and health and safety Über den Autor und weitere Mitwirkende Gloria Callaway was Senior Lecturer in Primary Education at the University of the West of England and Early Years Team Leader at the Camborne Pool and Redruth Success Zone."
