In August 2016, 23 of the world's best Finn sailors met in Rio de Janeiro to fight for Olympic gold. This is the story of how they all got to Rio, survived the qualification battles, the gruelling training and regatta circuit, and still had enough left to challenge for Olympic medals. It is a fascinating insight into the Finn class and what it takes to be a Finn sailor and an Olympic champion that begins on a hill at the end of the London 2012 Olympic Games and ends in front of a rock in Rio de Janeiro in 2016.
