**A stylish, street smart, frighteningly probable parable of the future from the visionary, *New York Times* bestselling author of *Neuromancer* and *Agency*.** A corporate mercenary wakes in a reconstructed body, a beautiful woman by his side. Then Hosaka Corporation reactivates him, for a mission more dangerous than the one he's recovering from: to get a defecting chief of R&D—and the biochip he's perfected—out intact. But this proves to be of supreme interest to certain other parties—some of whom aren't remotely human...
