National Geographic Face to Face Readers is a high-interest series of books for confident, independent readers that have been adapted to a Key Stage 2 audience by education experts. The books pair magnificent National Geographic photographs with lively first-person text and fascinating facts about the natural world. Wrap up warm and get ready to visit the wild world of these waddling wonders. Learn all about the life of a Penguin; from where they live, to what they eat, to just how it is they can survive in the harshest places on Earth. Written in an engaging and fun to read format, the captivating photos and fascinating facts are perfect for encouraging the future explorers and researchers of tomorrow! Level 6 readers are ideal for kids who are very confident in reading independently and ready to challenge themselves with a wide variety of sentence structures and writing styles, a range of new technical vocabulary and the need for more complex inference.
