"Über den Autor und weitere Mitwirkende **Craig Walls** is a software developer at Pivotal and is the author of Spring in Action. He's a zealous promoter of the Spring Framework, speaking frequently at local user groups and conferences. When he's not writing about Spring or slinging code, Craig spends as much time as he can with his wife and two daughters."

The 5th edition of the spring in action series covers the latest changes with spring 5 mixed in with spring boot as you may know that spring is a ever changing ecosystem that promotes the best practices known at the time spring in action series of books keeps
