"L'autore Baby IQ Builder provides educational content for PreK-12 and post 8th graders. Baby IQ Builder believes in the importance of early education and the Benjamin Franklin quote of "Tell me, and I forget. Teach me, and I remember. Involve me, and I learn". Our books are created to deliver an interactive experience for children while they learn to express themselves on paper. Baby IQ Builder Books provide parents the opportunity to become engaged with their child by helping their child learn about new and exciting things, fun loving art, basic arithmetic, reading, and writing social skills and even foreign languages.
