"Pressestimmen A poet of distinction. Smith is well attuned to the otherworldly dimension of dreams and cosmic visions. In this intimate and vaulting collection, she ushers us into the kingdom of childhood...Smith looks to family history for sources of her artistic impulses and portrays herself in adulthood as a roaming mystic, journal in hand, heart and mind open. Exultations of concentrated beauty and mystery ignite Smith's soulful poems about the making of an artist.-- (12/14/2011) Capturing moments of her adult life, Smith pares down her prose to a state of vivid impressionism, so enigmatic that even ordinary acts - preparing mint tea, nodding off while sewing - take on spiritual weight.-- (05/12/2012) Über den Autor und weitere Mitwirkende **Patti Smith** is a poet, performer, visual artist, and author of the National Book Award-winning memoir Just Kids. She has twelve albums, has had numerous gallery shows, and continues to give concerts of her music and poetry.
