Tavish Ranald, Laird Ranald's heir must marry. It's his duty. But he isn't ready. He loves someone he can never have. How can he marry his father's choice, Claire Morrison, when another lass holds his heart and always will? Cassandra Wren Calloway is a wealthy American heiress who prefers to be free-spirited college student Cassie Wren. But when she loses her soulmate and both her spirit and heart are broken, she's not sure how she can move on. Then Gertrude, an immortal spirit, offers Cassie the opportunity to begin healing by spending sixty days in another time, as another person. Cassie jumps at the chance. She wakes as Claire Morrison, in fourteenth century Scotland, and embarks on the adventure of a lifetime. The only problem is Tavish Ranald..

I gave the pocket watch 3 1 2
stars because well it was a
novella and i m not fond of
novellas but i liked the story and
i may actually remember it perhaps
with some prodding so not quite
worthy of 4 stars it was not a
typical christian novel however a
catholic would say it , the answer
involves the very thing the pocket
watch chronicles time executive

producer, ye take the watch and
give me yer business card i ll
call ye tomorrow evening and ye
can tell me all about yer
adventure then if the watch hasn t
found me we ll sort that out too
elizabeth considered it a moment
more okay.
