"Buchrückseite Over het Rijksmuseum zijn boekenkasten vol geschreven, toch heeft - verbazingwekkend genoeg - tot op heden geen enkel boek recht gedaan aan de esthetische klasse en reikwijdte van de kostbare schat die de Eregerij rijk is. Marcel Wanders wil met zijn project (dat past binnen de filosofie van het Rijksmuseum om de collectie van de Eregerij te ontsluiten voor een groot publiek en het hedendaagse belang ervan te onderstrepen) dit gemis inlossen. Dit doet hij door de schilderijen op magistrale wijze te presenteren - in een poging de tijdloosheid van de werken te vangen. Zo bijzonder de onderwerpkeuze is, zo subliem is de uitvoering. In maar liefst drie verschillende boekuitvoeringen zal het RIJKS-project gestalte krijgen. In elke uitgave zullen grootschalige reproducties van de geselecteerde meesterwerken tot in detail worden afgebeeld, waarbij de hoogst haalbare druktechniek wordt toegepast. Dat maakt dat de lezer als het ware een levensechte ervaring ondergaat en het kunstwerk ingezogen wordt. Dit effect wordt nog eens versterkt door de gekozen invalshoek die de lezer dwingt met een nieuwe blik naar de afbeeldingen te kijken. Daarnaast wordt er ingezoomd op verrassende details uit de kunstwerken. De keuze hiervoor wordt duidelijk in het 'BEHIND THE SCENES'-boek dat apart wordt bijgeleverd. (bij het coffee table boek is de tekst verwerkt in het boek zelf) In dit boek zal een keur aan internationaal zeer uiteenlopende internationale persoonlijkheden - die hun sporen hebben verdiend in hetzij de kunst, popmuziek, politiek, fotografie, wetenschap of haute couture - tekst en uitleg geven bij het gekozen detail vanuit zijn of haar vakgebied of werkterrein. Dit levert verrassende en vernieuwende inzichten op. Het toont aan dat de werken uit de Eregerij niets aan zeggingskracht hebben ingeboet. Voor de liefhebber! Marcel Wanders is erin geslaagd met dit boek een waar kunstwerk af te leveren, onwaarschijnlijk mooi en luxe uitgevoerd, met oog voor

bijzondere details. Elk boek wordt minutieus en met bijzondere aandacht vervaardigd, gebruikmakend van eersteklas materialen zoals echt leder, high-end metaal, gecompliceerde folietechnieken en op maat gemaakt papier - alles naar uniek ontwerp van Marcel Wanders. Ten slotte wordt elk boek met uiterste precisie gefabriceerd door gedreven kunstenaars en gekwalificeerde vaklui die hun ambacht - grafische techniek en het handmatig inbinden van boeken - als geen ander verstaan. Het boek ademt met zijn klasse, grandeur en vakmanschap vervlogen tijden en tegelijkertijd is het een staaltje van moderne technieken en inzichten gekoppeld aan kunstzinnigheid en bevlogenheid - een unicum! Über den Autor und weitere Mitwirkende An anomaly in the design world, Amsterdam based Marcel Wanders (Boxtel, the Netherlands, 1963) has made it his mission to create an environment of love, live with passion and make our most exciting dreams come true. This philosophy is most apparent in Rijks, Masters of the Golden Age, a book born out of Marcel's profound admiration for the incredible artistic and intellectual legacy that is the Gallery of Honour in the Rijksmuseum. Marcel's work excites, provokes, and polarises, but never fails to surprise for its ingenuity, daring and singular quest to uplift the human spirit and entertain. From opening his studio in the heart of the Jordaan area, where over 50 design experts worked every day towards publishing Creative Amsterdam in 2009, a book devoted to the city's intellectual, political and creative history; to designing the interior of the Andaz Prinsengracht set in Amsterdam's former public library, each of Marcel's career milestones has led to his heroic homage to these 17th-century Dutch masterpieces, now made available to everyone. Marcel is bringing the human touch back to design by ushering in design's 'new age', in which designer, craftsperson and user are reunited. In his process, Marcel defies design dogma; instead, focusing on holistic solutions rather than the technocratic. In Marcel's universe, the coldness of industrialism is replaced by the poetry, fantasy and romance of different ages, vividly brought to life in the contemporary moment."
