Meridiani guarda al mondo con occhi curiosi. E più che descriverlo, lo interroga lasciando che siano i luoghi a raccontarsi attraverso la natura, i monumenti, i paesaggi urbani, i volti e le storie della gente, le espressioni artistiche e culturali, la moda e lo sport. Ogni numero è un viaggio non convenzionale in città e paesi che pagina dopo pagina, attraverso reportage giornalistici, servizi fotografici, racconti di famosi scrittori svelano la loro anima più profonda.
