Si Home, le film est un voyage, Home le livre est un guide. Il propose d'approfondir les thèmes majeurs abordés dans le film de Yann Arthus-Bertrand, pour mieux comprendre et répondre aux grands enjeux auxquels l'humanité doit faire face. Il apporte des synthèses claires et accessibles et démêle des questions difficiles. Il ouvre les possibles et montre que des chemins existent pour changer le monde, politiquement, socialement et économiquement. Il éclaire les vieux problèmes d'un jour nouveau. Car l'écologie n'est pas qu'une volonté de protéger notre planète, c'est une nouvelle vision du monde.
