"Buchrückseite **You can start fresh--starting now**No one wants to be sidelined, stuck, shamed, or silenced. But the difficulties of life have a way of putting us in a corner, and we often don't know how to move forward. It's so easy to blame ourselves or our circumstances, to get bogged down in discouragement and toxic thinking. But that's not what we were meant for, and that's not how God wants us to live. Leeana Tankersley has good news if you're struggling: each new day is an opportunity to begin again. In her warm tone and welcoming style, she offers one hundred short readings to encourage and motivate you to begin again in your relationships with God, your family, your friends, and yourself. Because there is always a hand reaching toward you, there is always grace available, and there is always a chance to begin again. **Leeana Tankersley** is the author of five books, including Begin Again and Brazen, and holds English degrees from Liberty University and West Virginia University.
