Includes extra content detailing the story behind how the Mennymys came to be. Previously unpublished and exclusive to the ebook editions, the author hopes her readers, new and old, will enjoy discovering the back story to this mysterious family of life-sized rag dolls. From the outside, 5 Brocklehurst Grove looks like an ordinary house - the windows are always clean, and the garden well tended. And from the inside, to hear the voices of the inhabitants, the Mennym family, you would think they were a perfectly ordinary family, too. But you'd be wrong, for the Mennymys are far from ordinary. The whole family shares an astonishing secret behind which it's hidden for forty years; a secret to which nobody has ever come close - until perhaps, now. When a letter arrives from Australia, the whole family is plunged into fear that now, for the first time, their secret is about to be exposed . . . **Sylvia Waugh's extraordinary debut novel about the Mennymys, a family of life-sized rag dolls, won the 1994 Guardian Children's Fiction Award.**
