"Synopsis The classic tale of the day the first atom bomb was dropped offers a haunting evocation of the memories of survivors and an appeal to the conscience of humanity. Klappentext On August 6, 1945, Hiroshima was destroyed by the first atom bomb ever dropped on a city. This book, John Hersey's journalistic masterpiece, tells what happened on that day. Told through the memories of survivors, this timeless, powerful and compassionate document has become a classic 'that stirs the conscience of humanity' ('The New York Times). Almost four decades after the original publication of this celebrated book, John Hersey went back to Hiroshima in search of the people whose stories he had told. His account of what he discovered about them is now the eloquent and moving final chapter of Hiroshima. Alle Produktbeschreibungen"
