A great face begins with great skin. Many products today offer the "look" of healthy skin, but fail to actually encourage the skin itself to **BE** healthy. This little book will introduce you to the methods by which your skin can **BE** healthy and therefore, look healthy! Learn about skin conditions that can be exacerbated by wearing make-up, or helped through care and attention. Learn what to look for in product choices. Answer questions that will help you choose wisely. Learn the basic tips that will set you on course for fabulous skin and an **amazing face!**
