"Reseña del editor (Music Sales America). Forty well-known traditional songs and popular hits influenced by the musical heritage of Ireland, Scotland and Wales, arranged for solo piano. The shimmering melodies and stirring harmonies of the Celtic tradition have been captured in this stunning set of atmospheric arrangements. The melodies range from folk favorites such as ""Danny Boy"" and ""Loch Lomond"" to contemporary pop hits as recorded by Sinead O'Connor, The Corrs, The Chieftains and The Pogues. An exciting opportunity to add a touch of Celtic mystery and magic to your piano repertoire. Biografía del autor Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts."
