"Pressestimmen ?In this rip-roaring debut . . . Lemony Snicket meets Pirates of the Caribbean, with a sprinkling of Tom Sawyer for good measure.? ?Rick Riordan, bestselling author of the Percy Jackson series ?The fast-paced swashbuckling will surely satisfy fans of adventure, but it?s really Egg?s narration that makes this pirate story rise above its counterparts . . . Colorful dialogue (including plenty of piratespeak) and a fully realized setting that will have readers wiping the sea spray from their brows round out this delightful nautical yarn.? ?BCCB, starred review ?Full of action. . . a great read.??Time for Kids ?[A] swashbuckling story.? ?School Library Journal ??Rodkey combines humor and adventure in a story full of cruise ships, wild pigs, treasure maps, and constant peril.? ?Publishers Weekly ?This introduction to the Chronicles of Egg series is pure fun.? ?Booklist ?This promising new series starts out strong with a story filled to brim with pirates, treasure, intrigue and swashbuckling suspense . . . Egg?s first-person account is compelling, and the dialogue and vivid setting, as well as the full cast of quirky characters, make it easy to get lost in this adventure.? ?Kirkus Reviews Über den Autor und weitere Mitwirkende Geoff Rodkey grew up in Freeport, Illinois, a place with no ugly fruit plantations, volcanoes, or gainfully employed pirates, although someone did briefly want to kill him when he was a teenager. He currently lives with his family on an island just off the coast of North America. He has not been to sea since an ill-fated kite fishing expedition in the Florida Keys encountered such choppy waters that his nine-year-old son threw up on his four-year-old son's head while the author was preoccupied with trying to help his seven-year-old son barf over the gunwale. This is his first book. Alle Produktbeschreibungen"
