"Críticas Hilarious! (Praise for FLIRTY DANCING - The Sunday Times)Superbly observed ... the sort of series you want your about-to-be teenage daughter to read (Praise for LOVE BOMB - The Teacher) Reseña del editor Following on from Flirty Dancing, Love Bomb and Sunkissed, Jenny McLachlan's next book is perfect for fans of Geek Girl and Louise Rennison.A spotlight shines down on the two of us and everyone drifts into the shadows...Pearl is destined to be the star of this year's school musical. Being the lead is all she wants - especially as it means kissing super-hot Jake Flower.Then a new girl walks into the audition... Hoshi can sing, she's an amazing dancer and she's seriously cute. Before Pearl knows it, she's stolen her part, her friends and Jake's attention!But this girl doesn't know who she's messing with. Pearl's used to battling every day and she's not going down without a fight. Sparks are going to fly!. NOTA: El libro no está en español, sino en inglés. Biografía del autor Before Jenny started writing books for teenagers, she was an English teacher. Although she loved teaching funny teenagers (and stealing the things they said and putting them in her books) she now gets to write about them full-time. In her spare time, just like Bea the heroine in her first novel, Flirty Dancing, Jenny loves to jive. She is based in Eastbourne.www.jennymclachlan.com"
