"Über den Autor und weitere Mitwirkende Marianne Matzo, PhD, APRN-CNP, AOCNP, FPCN, FAAN is Director of Research at the Hospice and Palliative Nursing Association (HPNA), and is Clinical Professor, Department of Family Medicine, at University of Oklahoma School of Medicine. She also works as a Nurse Practitioner in Hematology/Oncology at the VA Medical Center in Oklahoma City. A prolific researcher/ educator and experienced clinician, Dr. Matzo has presented educational programs regionally, nationally and internationally on many topics related to care of the dying person, gerontological nursing and curriculum development. She has authored four books, including two published by Springer Publishing, as well as numerous book chapters and peer-reviewed articles for leading journals in these specialties. Deborah Witt Sherman, PhD, ARNP, ANP-BC, ACHPN, FAAN is Professor with Tenure at the Nicole Wertheim College of Nursing and Health Sciences, Florida International University where she had previously served as Associate Dean for Academic Affairs. She also works as a Palliative Care Practitioner at Seasons Hospice and Miami Jewish Health System. Dr. Sherman's background in critical care nursing, hospice nursing, her certification as an adult nurse practitioner, as well as her research focus on populations with life threatening and terminal illness, are foundational to her expertise and commitment to palliative care. She serves on several notable editorial and advisory boards and has led the initiative to develop the Scope and Standards for Advance Practice Palliative Care Nursing approved by the ANA."
