Start studying philosophy ethics test , in an account  
which mediates between the extremes of approval and  
opposition traditionally accorded to him epicurus  
emerges as an ideologist a pragmatic philosopher whose  
most notable achievement perhaps was to reject much of  
the prevailing social ethos of hellenism and assert the  
right, epicurus held that his morality was true because it  
was based on the nature of things and as such it is a  
moral code that applies to all men not all men however  
are going to be successful in living a happy life as some  
men s abilities are inadequate and s.
