This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. This enhanced edition of *Clean* includes extra audio, video and recipes. In *Clean*, a New York City cardiologist and a leader in the field of integrative medicine, Dr. Alejandro Junger, offers a major medical breakthrough. Dr. Junger argues that the majority of common ailments are the direct result of toxic build-up in our systems accumulated through the course of our daily lives. As the toxicity of modern life increases and disrupts our systems on a daily basis, bombarding us through our standard American diet and chemical-filled environments, our ability to handle the load hasn't accelerated at the same rapid pace. The toxins are unavoidable but *Clean* offers a solution.
