40

Since there is already a thread about spindle oil I m
starting another one to discuss the Type B oil
According to the SB oiling chart I have for my 9A
bought the chart from a gentleman on ebay the same one
appears in, South Bend 9 inch Workshop Lathe Stands
and Drive Systems During its first two years of
production the Workshop lathe was available as either
a bench unit with a separate but self contained
countershaft drive or fitted to cast iron legs in
which case t, .
