Walter Simonson's Battlestar Galactica Art Edition commemorates the master draftsman's senses-shattering work on the Battlestar Galactica comic book series published by Marvel Comics from 1979 to 1981. Truly, the adventures of brash pilots Apollo and Starbuck were never so epic as they were under Simonson's skillful hand, as demonstrated in this gorgeous hardcover collection. Scanned in high-resolution color and printed at original size, the Battlestar Galactica Art Edition preserves every detail of the artist's meticulous skill and hard work, interpreted from scripts by contributing writers Roger McKenzie, Steven Grant, Bill Mantlo, Bob Layton, and Simonson himself!
