"Pressestimmen Paul's artwork is as dynamic and arresting as ever. His comic touch is perfectly judged, stretching the simple story within reach of a wide age group. The Guardian, Amazing Stories Supplement Synopsis Winnie, the Witch is tired of winter. She's tired of shivering in the cold and looking out at her garden covered in snow. And Wilbur is tired of frozen fur and whiskers. So, Winnie uses a little magic to bring summer and sunshine to her house. But just as she settles down in her deckchair...hordes of people arrive. With the unruly crowd comes noise, and mess, and chaos. Maybe winter isn't so bad, after all?"
