"Recensione ""Unlike the many religion books for young readers that focus upon the central tenets and rites as well as the cultural practices of its adherents, these titles are based on narratives. . . . Ganeri's writing is inviting and fluid. Libraries wanting more diverse information on world religions will find that these titles fit the bill nicely." --""School Library Journal"" L'autore **Anita Ganeri** is an author of children's books, including many on comparative religion and mythology. **Rachael Phillips** is an illustrator."
