Jan Zavrel is Evernote Certified Consultant and a long-time Evernote user. THE SYSTEM2 is the product of almost 6 years of trials and errors, testing, tweaking, and optimization. It is the first productivity system that brings together reference storage and task management in a unique package. THE SYSTEM2 works with only two types of notes, notebooks, and tags. It is simple to use, yet very powerful. It is an ideal system for tracking the progress of long-term projects.
