"Críticas ?Generally excellent. Attractive layout, clear and easy to access. There is necessary focus on exam skills, but presented in an interesting, step-by-step format.? Susan Stirrup, King?s Ely?I like the clear layout, especially the spacing of the questions ? it is very accessible.? Fiona Hall, Sheringham High School?Colourful and informative.? Jane Hamilton, Alsager School Reseña del editor **Exam Board: AQA****Level: GCSE Grade 9-1****Subject: Chemistry****First Teaching: September 2016, First Exams: June 2018****Suitable for the 2020 exams**Four different card types Revise, Memorise, Test and Practical cover everything you need to revise and test for each topic. Practise in short bursts and mix up the cards to familiarise yourself with the topics and different question types.· 100 topic-based revision flashcards· How to Use cards include revision tips and games· **Revise** cards provide a recap of the key facts you need to know for each topic· **Memorise** cards include the most important scientific terms, definitions and equations· **Test** cards feature quick-fire questions to test your understanding and recall· **Practical** cards allow you to review all required practicals"
