Il est délicat de régner avec sagesse tout au long de l'Histoire de l'Humanité, alors que vos adversaires utilisent le commerce, l'espionnage, la diplomatie et la guerre pour contrecarrer vos projets. Cet ouvrage vous aidera à guider votre nation vers le succès et vous fera découvrir de nouvelles façons d'apprécier le jeu. Il traite de tous les éléments du jeu : jungles et déserts, Romains et Russes, économie, recherche, guerres et Merveilles du monde : analyse détaillée des nations, des bâtiments, des unités, des options de recherche, des facteurs économiques, etc ; statistiques développées pour tous les éléments du jeu ; conseils pour réussir les campagnes nouvelles stratégies en mode solo ou multi -joueurs pour remporter la partie par des moyens diplomatiques ou militaires ; chapitre sur des tactiques avancées par le producteur de Big Huge Games, Paul Stephanouk
