**Now a Hallmark Original Channel Movie**First published as The Christmas WishEvent planner Eve Canaday and her secret crush, Dr. Ben Tyler, are unexpectedly drafted to help a little girl fulfill her late mother's wish—a magical Christmas to create some happy memories. Eve sees this opportunity as a sign; Ben, as a glitch in his plan to leave Marietta behind for good.As the trio checks off the to-do list of Christmas fun, Ben's 'bah-humbug' opinion of the holiday fades, along with ideas about keeping his distance from Eve. Getting involved is the last thing he wants to do but, alas, there's no accounting for cosmic interference.With the season of miracles upon this jewel of a town, will Eve find it's possible that Christmas wishes aren't only for little girls?
