If you have a Kindle Fire HD, you NEED this book. Inside, you'll find the top 100 apps that you can download from the Amazon Appstore to your Kindle Fire HD. You don't just get that, though. No longer do you have to spend precious minutes clicking through to apps to find out detailed information about them! You'll also get information on star ratings, number of reviews, bestseller position and pricing information. All of this is included inside the book, giving you WAY more information than you'll find in just about any other 'top apps' book today. All of the recommendations, star ratings, pricing and other information are broken down by the following categories: Communication/Social NetworkingCooking/FoodEducationEntertainmentFinanceGamesHealthKidsMusicNews/WeatherProductivitySportsTravelUtilitiesNow you never have to guess at what apps are good and what are bad! (Notice: This book was written for the USA Kindle AppStore market and may not apply to other countries.)
