"Reseña del editor A unique look at colours and friendship, now available in paperback. This very simple text is about two friends, Sue and Nick, who like different colours but are still good friends. The artwork is stunning with each artist contributing alternate pages in their own inimitable style. The deceptively simple text is perfect for children learning to read. Biografía del autor The young Nick Sharratt spent most of his time drawing and later took an Arts Foundation course at Manchester Polytechnic and a BA in Graphic Design at St Martin's. He is now well-known for his illustration of the books of Jacqueline Wilson and Jeremy Strong and for his own titles. He has won many awards, including the Children's Book Award in 2001 for Eat Your Peas. Nick lives in Brighton. His friend Sue Heap won a Smarties Prize for Cowboy Baby. She lives in Chipping Norton."
