"Recensione This is a beautiful book with vibrant color and whimsical projects. The stepped-out photographs make for clear, easy-to-follow instructions. It is equal parts self-help and art book. I applaud Tamara for creating such a wonderful book, through it's absolutely no surprise. This is a must-have for every mixed-media artist's bookshelf. (Somerset Studio) L'autore **Tamara Laporte** is a celebrated mixed-media artist and art teacher who has been running her own creative business, willowing.org, since late 2008. Since then, she has become a creative catalyst for thousands of artists. Her work, which can be described as "mixed-media folk art meets magical realism," ranges from whimsical children's illustrations to more stylised fantasy art. Symbolism and layering play a big part in her work, and her paintings often contain healing themes, uplifting messages, and inspirational poetry. Tamara believes that the act of creating art can be a gateway into healing and personal growth. Her art classes often contain an element of self-development along with instruction on art techniques. She is deeply devoted to helping people get in touch with their creative fire, and works tirelessly to bring uplifting, nourishing, creative, and empowering content to her amazing tribe of thousands. The author of the best-selling Create Your Life Book, Tamara's work has been featured in many art magazines, books, and media outlets. She runs a variety of popular art classes on her ning network, which has more than 24,500 members and grows by 150?200 mixed-media enthusiasts each month. She lives in Devon, UK."
