"Reseña del editor The stunning Children's Illustrated World Atlas takes young readers on the ultimate round-the-world trip. It not only portrays regions such as the Siberian wastes with a beautifully detailed map, it also shows and tells you what it is like to roam across them as a Nenets reindeer herder. Using stunning modern mapping, based on the latest seamless, cloud-free satellite image data together with facts, maps, satellite images, and local stories, this atlas is a global yet personal experience. From Bolivia's bustling markets to carnival in Venice, the Children's Illustrated World Atlas brings together views from windows all over the world.. NOTA: El libro no está en español, sino en inglés."

The atlas also includes a world map with a political map for each continent through each map children are shown how to read a map and use a key pass and scale charming and
