"Pressestimmen 'These guides are the most practical aides to enjoying wildlife in some of the most amazing places in Europe' - Derek Moore, British Birds Buchrückseite IJsland is beroemd om zijn indrukwekkende landschappen, unieke geologie en rijk vogelleven. Er zijn weinig plekken ter wereld waar het vulkanisme zo'n veelvoud landschappen heeft voortgebracht, en waar zulke enorme aantallen vogels gemakkelijk te zien en te fotograferen zijn Deze nieuwe Crossbill Guide beschrijft de IJslandse natuur in al zijn facetten. Biedt belangrijke achtergrondinformatie, 16 toproutes en talrijke tips die interessant zijn voor geologie, vogels, zeezoogdieren, flora en landschapshistorie. Engelstalige uitgave. Uit de pers 'These guides are the most practical aides to enjoying wildlife in some of the most amazing places in Europe' - Derek Moore in British Birds Über den Autor und weitere Mitwirkende Andy Jones began his career in conservation and wildlife in the UK. He was a warden on Skomer Island, a ranger with the Pembrokeshire Coast National Park, the RSPB's senior investigations officer and a Wildlife Trust director. He studied geology and is an enthusiastic bird and whale-watcher. He has been leading wildlife holidays and field trips for more than 25 years. Dirk Hilbers (The Netherlands, 1976), biologist, is the founder of the Crossbill Guides Foundation and travels the continent to write Crossbill Guides about the most beautiful natural areas of Europe. He has specialized in flora, insects, ecology and land use."
