This is a collection of essays on the legends of London discussing their importance as part of the oral tradition of Britain, combining prehistoric, Celto-Arthurian, Roman, Saxon and Norman levels each of which has contributed to the many-layered life of the city. It also covers topics ranging from London's church spires to its mazes and labyrinths and serves as a guide to all the places mentioned which are still in existence.

The stooges debut album practically dared listeners not to flee in the other direction whether from disgust or bored
