Quando Mikael e Lisa si incontrano scatta una scintilla fin dal primo istante ma un misundestanding, un passato che influenza in parte la visione del presente, e un destino avverso ostacolo la relazione. Saranno in grado di superare le difficoltà? O sceglieranno la via più semplice? Sullo sfondo del Club più esclusivo e lussuoso di Milano, le vite di Mikael e Lisa si intrecceranno....."Lo senti Lisa? Senti come reagisce il tuo corpo a me?" Santo cielo si che lo sento! Come potrei non sentirlo? Ho perso il controllo sul mio corpo nel momento stesso in cui lui ha posato le sue mani sulle mie spalle. E poi come accade sul più bello di un magnifico sogno interrotto dall'improvviso risveglio, ferma il contatto bruscamente, mi slega i polsi con un solo gesto e mi volta. Le sue labbra sono ad un soffio dalle mie, sto ansimando oscenamente."Questo è quello che avresti potuto avere ma che non avrai più!" Il suo sguardo fiero è letale. Si volta, gira la chiave e apre la porta. Mi appoggio al tavolo, mi metto la mano sul petto nel tentativo di calmare la frequenza cardiaca alle stelle. Mikael è nel corridoio, guarda dritto di fronte a sè, è come se io non esistessi più. ..ROMANZO
