"Pressestimmen A thorough analysis and discussion of the requirements to qualify for Social Security disability benefits. The Wall Street Journal Guides applicants and recipients through one of the world s largest bureaucracies. Reference & Research Book News ' Morton presents readers with the eighth edition of his step-by-step guide to navigating the world of long-term or permanent Social Security disability. The author covers the qualifying of medical conditions, the applications for Social Security Disability Insurance and Social Security Insurance benefits, the estimation of monthly expenses, requesting and winning appeals and hearings, and a wide variety of other related subjects over the course of the book. Morton was a consultant the Social Security Administration and has authored many books on Social Security disability for use by legal professionals.' Eithne O'Leyne Editor, ProtoView"
