Chart an unforgettable journey through the Rocky Mountains with this beautifully illustrated, 16-panel concertina pull-out wall frieze and learn just how unique and important these mountains are to our world. . Make your way through snow-capped mountains and fast-flowing waterfalls, from the cool city of Vancouver on the western coast, to Banff, the skiing mecca, and over to rodeo-centre Calgary. Then turn the frieze over to discover loads of fascinating facts about each point of interest encountered along the journey, from an abandoned mountain town to the gold rush focal point, Fraser Canyon. Each title in our Unfolding Journeys series has its own distinct artwork style. Unfolding Journeys - Rocky Mountain Explorer's illustrations of wildlife and architecture lie on a vintage-style backdrop of faded postcard wilderness that encapsulate the Rocky Mountains' history and rugged landscape. Part of our Unfolding Journeys range Also available: Unfolding Journeys: Amazon Adventures. Collect them all! **About Lonely Planet Kids:** From the world's leading travel publisher comes Lonely Planet Kids, a children's imprint that brings the world to life for young explorers everywhere. With a range of beautiful books for children aged 5-12, we're kickstarting the travel bug and showing kids just how amazing our planet can be. From bright and bold sticker activity books, to beautiful gift titles bursting at the seams with amazing facts, we aim to inspire and delight curious kids, showing them the rich diversity of people, places and cultures that surrounds us. We pledge to share our enthusiasm and love of the world, our sense of humour and continual fascination for what it is that makes the world we live in the diverse and magnificent place it is. It's going to be a big adventure - come explore!
