Ajax Demos finds himself lost in society. Graduating shortly after artificial intelligence is allowed to enter the workforce; he can't get his career off the ground. He clings to what he believes a responsible adult should pursue, but it just isn't in the cards. As his last hope for a steady paycheck disappears new opportunities open. Ajax gets a chance to play a brand new Immersive Reality game. Things aren't as they seem. Mega Corps hover over what appears to be a simple game. Two unlikely women join his party as he tries to get ahead of the competition and set himself on the path of becoming a professional gamer. Join Ajax and Company as they enter the world of Legendary Rule. Disclaimer: this book contains graphic violence, harem elements and explicit scenes.
