"Über den Autor und weitere Mitwirkende **The National Fastpitch Coaches Association (NFCA)** is the professional growth organization for fastpitch softball coaches from all competitive levels of play. The idea for a softball coaching association first developed from discussions at the National Collegiate Women's Softball Championships in the early 1980s. Although mostly collegiate coaches constituted the organization's membership in the early days, today's collegiate coaches are joined by high school and club coaches and umpires as well as other fans of fastpitch softball. Besides services offered to the membership, the NFCA works with USA Today to produce polls for NCAA Division I and high school softball. NCAA Division II and Division III polls are also produced. In addition, the NFCA conducts collegiate tournament competitions and recruiting camps around the country."
