The PlusL is an app on which you can get or buy the assembly instructions that can achieve a new assembly model from bricks in your house. This book offer you alternative building instructions for 60047 quoted from PlusL. The instructions are big pictures in step-by-step to make you build easily. The instruction pages show you needed parts on each. You can also specified size of

instruction page by an pinch-out or pinch-in operation. Our all instructions are supervised by Jumpei Mitsui. This is not an official LEGO App, but it can be a good example of user innovation by LEGO fans. We are strictly prohibited resale, or sale copy of the instructions.
