The comprehensive Flight 2013 Wall Calendar presents the most awe-inspiring aircraft in the history of aviation and aeronautics--from the earliest flying machines to cutting-edge craft. Included are photographs of military and commercial aircraft in flight, dramatic NASA images of spacecraft lifting off, and highlights from the museum's collection.* Features around 300 images in a unique, oversize format. Each month includes approximately 25 craft plus historical airline brochures, tickets, air race programs, and much more.* Approximately 9 million people visit the Air and Space Museum annually. It is the most visited Smithsonian museum and one of the most popular museums in the world.
