"Recensione ""Stunning gallery...images ranging from the beautiful to the grotesque."" --The Telegraph ""192-page hardcover collection of illustrations, concept art, and other undead awesomeness that s guaranteed to please the crazed Castlevania fan in your life."" --Nerdist ""Some amazing artwork produced by some absurdly talented people."" --The Gaming Review""Any words I have written would not do this book justice. I could go on to say this book would be a must-buy for ANY Castlevania fan; especially for those who have Lords of Shadow (and, its recently released sequel) and love it. Even if you are not a fan of the series or this game in particular and just love looking at jaw-dropping visuals, this book is still an amazing collector's item."" --Fanboys Anonymous""Any number of the pages beg to be ripped out and framed on the wall. Fans of the game should consider this a must-own, and even those who just like the genre will find something to love."" --Daily Crate ""A lovely, dark, and beautiful art book that any Castlevania fan should delve into."" --The Game Jar ""A stunning collection of the art featured in the hit Konami Lords of Shadow franchise and is well presented, documented and a fantastic insight into how everything shapes together to become the dark, horror theme setting that you play in the videogame. The book would make an ideal gift for any Castlevania gaming fan or a superb purchase if you re looking to expand your collection of gaming memorabilia. --This is Xbox ""Beautiful and breathtaking... A must own for series of the fans, Titan Books have put together a brilliant book that is damn near perfect."" --Wolf's Gaming""This superb book contains a huge amount of very, very good fantasy art... some of the monstrous creations depicted within this magnificent book are of a quality that transcends the gaming genre and enters the realms of fine art. As a keepsake for those who know and play Castlevania, this is essential reading. As a fantasy art book, it is superb. Colour rendition is terrific, too."" ----Books Monthly L'autore **Martin Robinson** is an award-winning journalist and Features Editor at Eurogamer. Previously Content Editor at the UK office of IGN.com."
