Read / Spell...Better...Faster**Pictures for Easier Letter-Sound Recall**The **Easier English** series is a visual aid to decrease learning time, enhance retrieval and increase retention of letters and sounds. This imaginative memory system includes pictures, colors, silly phrases and repetition to aid recall of the English sound code.**Easier English for Dyslexics 9** looks at two vowel sounds – long-OO in school and short-oo in look – and their spelling patterns. Also, consonant Y sound is included and its several different vowel sounds are presented.Just what you needThe 18 short ebooks in **Easier English** focus on building phonological awareness, a key reading skill. Though designed for older dyslexics, the series could be adapted for use by younger children or for English as a Second Language students. Your child may not need to study all 18 ebooks. Use just what you need. You don't need training to use these ebooks.You only have to be willing to explore the sounds in words.Simple to use**Easier English** is filled with sound puzzles to encourage your child to apply his or her new knowledge. Review books are also included. Dyslexics often have to review the same material in different ways to master it.You'll find these family friendly materials simple to use. As you and your child connect the sounds of English to the letters, you'll both learn patterns that make English much easier to read and spell.Help is on the wayScroll up to get your copy today and see how daily review of **Easier English** can help your child improve.
