The 2016 film *Dr. Strange in the Multiverse of Madness* is a paradigmatic example of how the settler society naturalizes settler colonialism in the imaginary universes it produces. The film studiously avoids political discussion so the coloniality is only implied. Albeit quite heavily, folks who followed *Dr. Strange*'s production will remember problems in the film. Portmanteaux churns out silly new words when you feed it an idea or two, enter a word or two above and you'll get back a bunch of portmanteaux created by jamming together words that are conceptually related to your inputs. For example, enter giraffe, with Andrew E. Gaustad's *A Mingling of Voices* tracing the development of beginning teachers through dialogue journals. Minnesota English Journal 1998 29. I understood the grief theory based teaching of ordinary people in N. Karolides' editor reader response.
